LECIFINE® 100

De-oiled Soy Lecithin

LECIFINE® 100 is a de-oiled soy lecithin made from GMO-free (NON-GMO) soybeans. *LECIFINE® 100* is used for fine baked goods, biscuits, waffles, instant products, cocoa powder and ready-to-use yeast flours. *LECIFINE® 100* improves fat distribution and enables even browning. It also ensures a finer crumb, prolongs freshness and increases the volume of the baked goods.

Storage and shelf life

In the original packaging and unopened, *LECIFINE® 100* has a shelf life of 18 months when stored at a temperature of below 25 °C and a relative humidity of max. 60%.

Applicable regulations

LECIFINE® 100 is a foodstuff. National laws and regulations must be observed. *LECIFINE® 100* should be labelled as emulsifier E322.

Packaging

20 kg cartons net on pallets @ 600 kg.
